

A New Look at Employees and Pay in America

Jeff Sheak

Regional Sales Director – Office of the CEO

Global Cash Card

Since 2009, Jeff has been developing coast-to-coast "Electronic Payroll Distribution Solutions" to medium and large organizations. He provides consulting and implementation guidance for paperless payroll.

As Group Vice President with Kelly Services, Inc., Jeff oversaw sales and services operations in the Major Metropolitan Division with revenues exceeding \$400 million and 1000+ employees. He provided oversight for Branch Automation, Worker's Compensation, Organizational Structure and Succession Planning steering committees.

Jeff has also been a 10-year small business owner, operated a network of Westaff Staffing Franchise offices in Michigan, Ohio and Florida and was an early adopter of "pay cards".

Jeff has a BBA from Cleveland State University, Extended MBA Program of University of Louisville and Executive Management Certificate - University of Michigan.

Jeff has been a frequent presenter at various APA Conferences across the US.
