

# Upstate SC Chapter of the American Payroll Association

A new chapter of the American Payroll Association has been created in the Upstate of South Carolina. The chapter will serve the area which includes the areas of Greenville, Spartanburg, and Anderson as well as the other surrounding counties and cities. The chapter got its start when a small group of payroll professionals decided it was time to provide continuing education and networking opportunities for payroll and human resource professionals in the area. In the future the group hopes to offer study groups for those who would like to sit for the CPP and FPC exams as well as get involved in community initiatives.

The goals of the group are as follows:

- Offer RCH's for CPP and FPC's
- Provide on-going timely education on topics important to payroll professionals
- Provide education about payroll to the community
- Provide networking opportunities
