

Matt Kaufer
Vice President
Employment Tax Service
Equifax, Inc.

After graduating Cornell University with a BS in Business Management, Matt spent seven (7) years helping to build a computer software company. That company developed specialized programs for the Health Insurance brokerage community.

Utilizing the skills learned at this software company, Matt played a prominent role in the design of Barnett Associates unemployment tax and claims systems, coupled with their online reporting system.

For the past fifteen (15) years Matt has progressed from Assistant Director of Tax at Barnett Associates, to his current title of Vice President Employment Tax Service at Equifax.

During his time with Barnett and Equifax, he developed an extensive working knowledge in all areas of unemployment and employment verification. He is an active speaker within the unemployment, payroll, and HR community. He speaks at local, state, and national levels for the APA, The Broadband Tax Institute, SHRM, and for the Unemployment Workers Compensation Association (UWC).
