

# Welcome from the Charlotte Chapter of the American Payroll Association!

[www.apacharlottenc.org](http://www.apacharlottenc.org)

## History:

The Charlotte Chapter APA was founded in July, 1995. We currently enjoy a membership of over 100 payroll professionals from Charlotte and the surrounding areas representing organizations of a wide variety of sizes and types. Our current mailing list reaches approximately 250 payroll and HR professionals.

## Meetings:

Our Chapter meets monthly in Charlotte from February through October. Meetings are held on the third Thursday of the month and meetings are normally scheduled for one and a half hours. February, April, June, August and October meetings are dinner meetings. March, May, July, and September (NPW Celebration) meetings are lunch meetings. Our meeting agenda includes speakers on a wide variety of payroll-related topics, as well as other topics of general interest to the payroll professional, which provides you with an opportunity to earn recertification credit hours, RCH's, for the CPP and FPC. Vendors are also invited to participate, allowing them to offer their payroll-related products and services. Please check our calendar for updates and meeting information.

## Special Events:

Study groups are held twice a year in accordance with the testing schedule for Certified Payroll Professional and Fundamental Payroll Certification programs. Please contact the Director of Education for more information:

National Payroll Week Celebration is the first week of September

Holiday Gathering in December

Co-host of the Carolinas Payroll Conference – held annually in Myrtle Beach in November
